Judi: liked the couch with 8 hr shifts. Good conversations

Lora: would like a way to volunteer to be a backup for short shifts after initial signup

Jan: why 3? 2 would provide better coverage.

Carl: Slot 1, Slot 2, backup. Must have someone in booth.

Kitty: liked setup. Good for sit down and visit. One page handouts for issues of frequently challenged positions.

Christine: we are there to be seen. Democrats live in Benton County. Not ceding the territory. People noticed.

Lora: present a welcoming booth.

Cigdem: many conversations based on postings.

Lora: kids had to engage to relieve Candy

Judi: saw 2 tables as separate offerings

Alisha: post meetings (note Alisha)

Sabastian: wants to restart young Dems in CBC

Christine: handout to show people visited, sticker,

Sabastian: Platform summary handout

John: talking points for top issues

Alisha: Letterman top 10

Christine: prefers postings

Alisha: Energy, engaging folks re: Tracys.

Judi: need a way to differentiate between volunteers and mailing list only

Jane: welcoming, giveaways

Chris: pictures on table, differentiation from old ways of racism/homophobia, morals challenge

John: Tri-City parliamentarians. Biggest takeaway: meeting a number of people from Fire District 1.

Sabastian: noticed objective to register voters. Many not registered, don't want to be. How do we get marginalized communities to register/vote

Lora: LWV: voter education in areas frequented by marginalized, door hangers with contact info. Why vote? What do you want the outcome to be? 1:9, or 4:6

Chris: canvassing brought outcome to 50:50

Jan: Most people superficial: How does that affect me? Most don't care if \$ comes in. Trying to survive. Liked booth, welcoming. Welcome Home afghan? Flag!

Kitty: ads, please. TCH, Tumbleweed.

Christine: not joiners, but talk to their contacts. Issue de month/presentation. Meeting announcements. Convo w/ Bill Berkman: doesn't understand wealth inequality. No empathy. Who will do min wage work. Nurturing Parent vs Strict Father. Break down min wage monthly budget. Endorsements on non-partisan positions. Go outside and talk to non-Dems. Target conservative radio ads on an ongoing basis, post on social media.

Sabastian: radio reaches white middle aged, mailing

Alisha: foam visor handout, they'd grab because they need

Chris: word out that Dems are alive and well, turnout is the key to winning

Kae: neck sore from nodding. Came to talk about booth, instructions.

Cigdem: quiet Sat a.m., <10 people stopped to talk. Candy ran out. People looking and reading. Lots Trump dump. Concern about number of Dem presidential candidates. Looking for candidate recommendations.
