Resolution: State of Washington Continue to Support the ACA

WHEREAS Benton and Franklin Counties have over 40,000 people who are uninsured or underinsured with regard to health insurance, and
WHEREAS not having access to affordable and quality healthcare is a barrier to a better quality of life, and
WHEREAS there is an economic impact to everyone when people do not have adequate health insurance, (no dollar of care is not paid for), and
WHEREAS the Affordable Care Act (ACA) removes barriers to better health through Medicaid Expansion, improved coverage, and integrating health systems, and
WHEREAS enrollment into Washington's Health benefit exchange is offering quality health plans at affordable prices, and
WHEREAS accountability for the ACA's success depends on local support and advocacy to enroll people into the health exchange,
THEREFORE BE IT RESOLVED that the 8 th and 16 th Legislative Districts Democrats continue to support and advocate that all citizens enroll into healthcare plans by the end of 2014.
THEREFORE BE IT FINALLY RESOLVED that the State of Washington continue to support the ACA and its health insurance exchange.
Submitted by Ms. Carol Moser to the 8 th Legislative District Caucus March 9, 2014
Adopted by the Benton County Democratic Convention April 12, 2014.
